

Helsinki November 22nd, 2024

Dear Team Managers

ESBC Championship 2025 is getting closer. 211 days to the opening.

And this means that you have to fill out some forms.

As an attachment FORMS A – B – C – D

FORMS E to X will follow later.

All these forms will be put on our website esbcfinland.fi and of course on the event website as soon as it opens.

It seems that there will be less than 600 players according to those replies you gave us earlier this autumn. Maybe even closer to 500 than 600. Not as much as we expected or hoped for but enough to build a good and friendly event and championship.

19 countries entered. Sweden is missing. We have tried to contact them with no response. If anyone has a contact to our Swedish friends, please send an email, make a call or send a letter.

Entries from: Catalynya, Slovakia, Nederland, România, Ireland, Italia, Danmark, England, Belgium, Czech Republic, Norway, Iceland, Estonia, Germany, France, Lithuania, Austria, Swiss, Finland (Names as you wrote.)

The schedule:

June 20th arrivals

June 21st arrivals, official practise at Tali Bowl, team manager meeting and opening at Marina Congress Center/Grand Marina Hotel

June 22nd ESBC AGM at Grand Marina Hotel

June 22nd to June 27th all events at Tali Bowl

June 28th medal ceremonies, Finals at Tali Bowl, victory banquet at Marina Congress Center

June 29th departures

As I promised at the meeting in Hamburg the weather here in Helsinki will be bad. The winter and first snowstorms are about a month late. So the summer will be a month later than usual and starts on June 30th next year.

And the traffic jam will continue at the Helsinki main street. So all those coming by car provide for detours and one or two wrong turns on your way to/from hotel/Tali Bowl.

see you at Helsinki

Merry Christmas and Happy New Year

Risto Spora
President

Tapani Kiviranta
OC Chairman

Christer Ehnlund
Host Tournament Director
